KEYNOTE SPEAKER

2021 ICCMA International Conference on Computing, Computational Modelling and Applications
Date : 14th-16th July 2021
Venue : Brest, France (Virtual)

Prof. Junyu Dong received his BSc and MSc from the Department of Applied Mathematics at Ocean University of China in 1993 and 1999 respectively and received his PhD in November 2003 in Heriot-Watt University, UK. He is currently a professor and the Dean of Haide College and College of Computer Science and Technology at Ocean University of China. His research interests include computer vision, underwater image processing and machine learning. He has been the principal investigator of more than 10 research projects supported by NSFC, MOST and other funding agencies. He has published more than 100 major journal and conference papers. He is also a Chairman of Qingdao Chapter of the Association for Computing Machinery (ACM).
